## Madge Estee

You are our Queen and almighty ruler and are as divine as the Lord him or herself. ♀

## Jess Terr

Always the joker, you have worked as the jester to the Queen's court since you graduated school aged 8. ♀

## Maid Mybed

You are the eldest daughter of Lord Ray Bees and this gives you the title of Maid. You are now married to Sir Osis of the Liver. Does this mean your name is Maid of the Liver? ♀

## Anne Tiquity

You are the Lady of House Tiquity and senior Lord in Madge Estee's war cabinet. ♀

## Carrie Disease

Your mother always told you not to play with rats, but would you listen? ♀

## Cath Olic-Guilt

You are pretty sure you are Catholic but it is hard to tell. It changes with each new monarch. ♀

## Mona Stery

You are a senior member of the clergy along with your colleagues Cath Olic-Guilt and Fryer Sausage. ♀

# Maddi Eval

You have spent your whole life living just outside the castle walls in the house next door to your friend Mal Nutrition. ♀

# Lance Aboil

Boils were common in medieval times and lancing them was the only treatment. ♂

# Sir Osis of the Liver

Cirrhosis of the liver is a nasty condition to have. Don't worry, your lands are in good hands with Maid Mybed. ♂

# Shane Mail

Chain mail is very heavy but it does work. I have heard that even a lance can't penetrate it. ♂

# Knight Mare

I never want to find out what is under your helmet. You are the Queen's trusted body guard and servant. ♂

# Mace Myhead

I think that would really hurt. Why is the mace your weapon of choice? ♂

# Mal Nutrition

Everyone seems to be going through it but you have taken it to a whole new level. What was it like spending a month in that cage? ♂

# Fryer Sausage

You sound so delicious and heavenly. I just want to eat you up. ♂
