

GUEST CHARACTER ALLOCATIONS

Don't allocate the characters from the game name badges!

This gets done at the party.

It doesn't matter what characters come to your party but if you don't want to risk having two Princess Leias then you can allocate people actual Star Wars characters from the list below.

Female					
Character	Guest	Character	Guest	Character	Guest
Padmé Amidala		Enfys Nest		Sy Snootles	
Queen Breha Organa		Lyra Erso		Ahsoka Tano
